

CV of JAN RECHE

Dipl.-Ing. Jan Reche heads the Maritime Safety Division in the Federal Ministry of Transport and Digital Infrastructure.

He studied at the Technische Universität Hannover, Germany and graduated in 1984 as civil engineer.

After graduating, Jan Reche became part of the Federal Inland Waterway Administration with various positions in southern Germany. For several years he was Director of its regional office in Regensburg/Bavaria on the river Danube. In 1999, he joined the Federal Ministry of Transport and Digital Infrastructure to work. In 2007, he was put in charge of the Transport Technologies Division. Since 2010, he is heading the Maritime Safety Division.
