

## **CALL FOR APPLICATIONS**

### **SENIOR PROJECT OFFICER FOR POLLUTION RESPONSE TO OFFSHORE INSTALLATIONS Ref. n°: EMSA/AD/2012/07**

The European Parliament and Council Regulation (EC) No 1406/2002<sup>1</sup> provides the legal basis for the establishment of the European Maritime Safety Agency (EMSA).

The goal of the Agency is to provide technical and scientific assistance to the European Commission and the Member States on matters relating to the proper implementation of European Union legislation on maritime safety and pollution by ships. To do this, one of EMSA's tasks is to facilitate cooperation between Member States and between Member States and the Commission in all key areas. This includes undertaking a range of actions related to design, construction and operation of all types of merchant and fishing vessels.

In April 2004 EMSA was also given some additional tasks by the European Council and the European Parliament related to oil pollution response, ship security and training of seafarers.

EMSA invites you to send your application for the recruitment process of Senior Project Officer for Pollution Response to Offshore Installations. The position will be attached to Department C 'Operations', Unit C.1. 'Pollution Preparedness and Response'.

More information about the Agency and its structure and activities can be found on our website: <http://www.emsa.europa.eu>

#### **Functions and Duties:**

The Senior Project Officer will, under the responsibility of the Head of Unit C.1, be responsible for:

- Facilitating the management of the stand-by oil spill response vessel contracts and possibly equipment sets for responding to oil spills originating from offshore installations, covering technical, operational, financial and contractual issues;
- Providing expertise for combating oil spills originating from offshore installations;
- Preparing reports, publications, technical input for procurement and information dissemination related to the Unit's activities;
- Contributing to the development and update of the EMSA Action Plan in the field of accidental oil pollution response;

---

<sup>1</sup> OJ L 208, 5.8.2002, p.1, as amended by Regulation (EC) No 1644/2003 of the European Parliament and of the Council of 22 July 2003 (OJ L 245, 29.9.2003, p. 10) and Regulation (EC) No 724/2004 of the European Parliament and of the Council of 31 March 2004 (OJ L 129, 29.4.2004, p. 1).

- Participating in the technical meetings regarding response to pollution originating from offshore installations;
- Providing, upon request, Member States and the Commission with technical assistance in support of oil spill response operations, with special emphasis on offshore installations, either onsite or remotely.
