1 training on Core Skills for AI took place here in Lisbon

## 2014 Trainings - update

MSs  
participants  
**129**

PSC  
participants  
**77**

Accidents  
Investigation  
**14**

Total  
**220**

# Evaluation

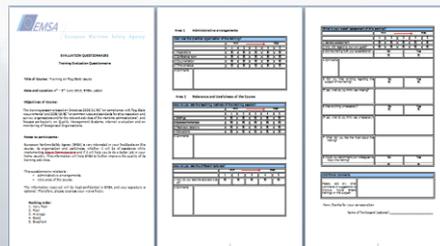

**Since September 2011**

Evaluation Questionnaires are completed by the participants at the end of the EMSA trainings

Incorporating participants views to the extent practicable

**February 2014**

Evaluation is carried out electronically on our new platform

A sample of an evaluation questionnaire form. It is a multi-column document with various sections, including a header with the EMSA logo, a title "Evaluation questionnaire", and several tables for data entry. The form is titled "EMSA Evaluation questionnaire" and includes sections for "Evaluation questionnaire", "Comments", and "Remarks".

## Evaluation questionnaire

The European Maritime Safety Agency (EMSA) is very interested in your feedback for this course, its organisation and usefulness. This information will help EMSA to further improve the quality of its training activities.

This questionnaire relates to:

- Administrative arrangements.
- Relevance of the course

The information received will be kept confidential in EMSA, therefore, please express your views freely.

Ranking order: from 1 (minimum) to 5 (maximum).

# Important to continue until the end

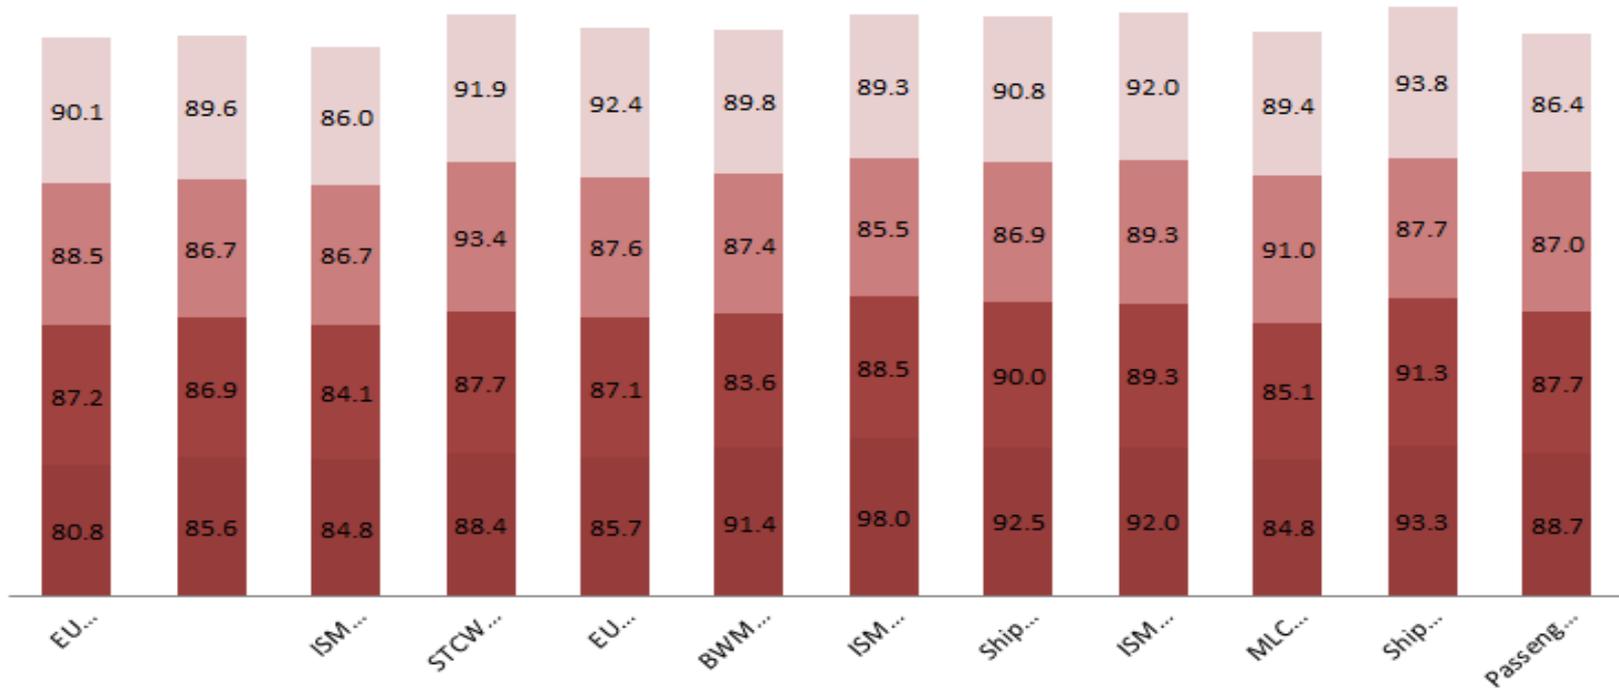

START

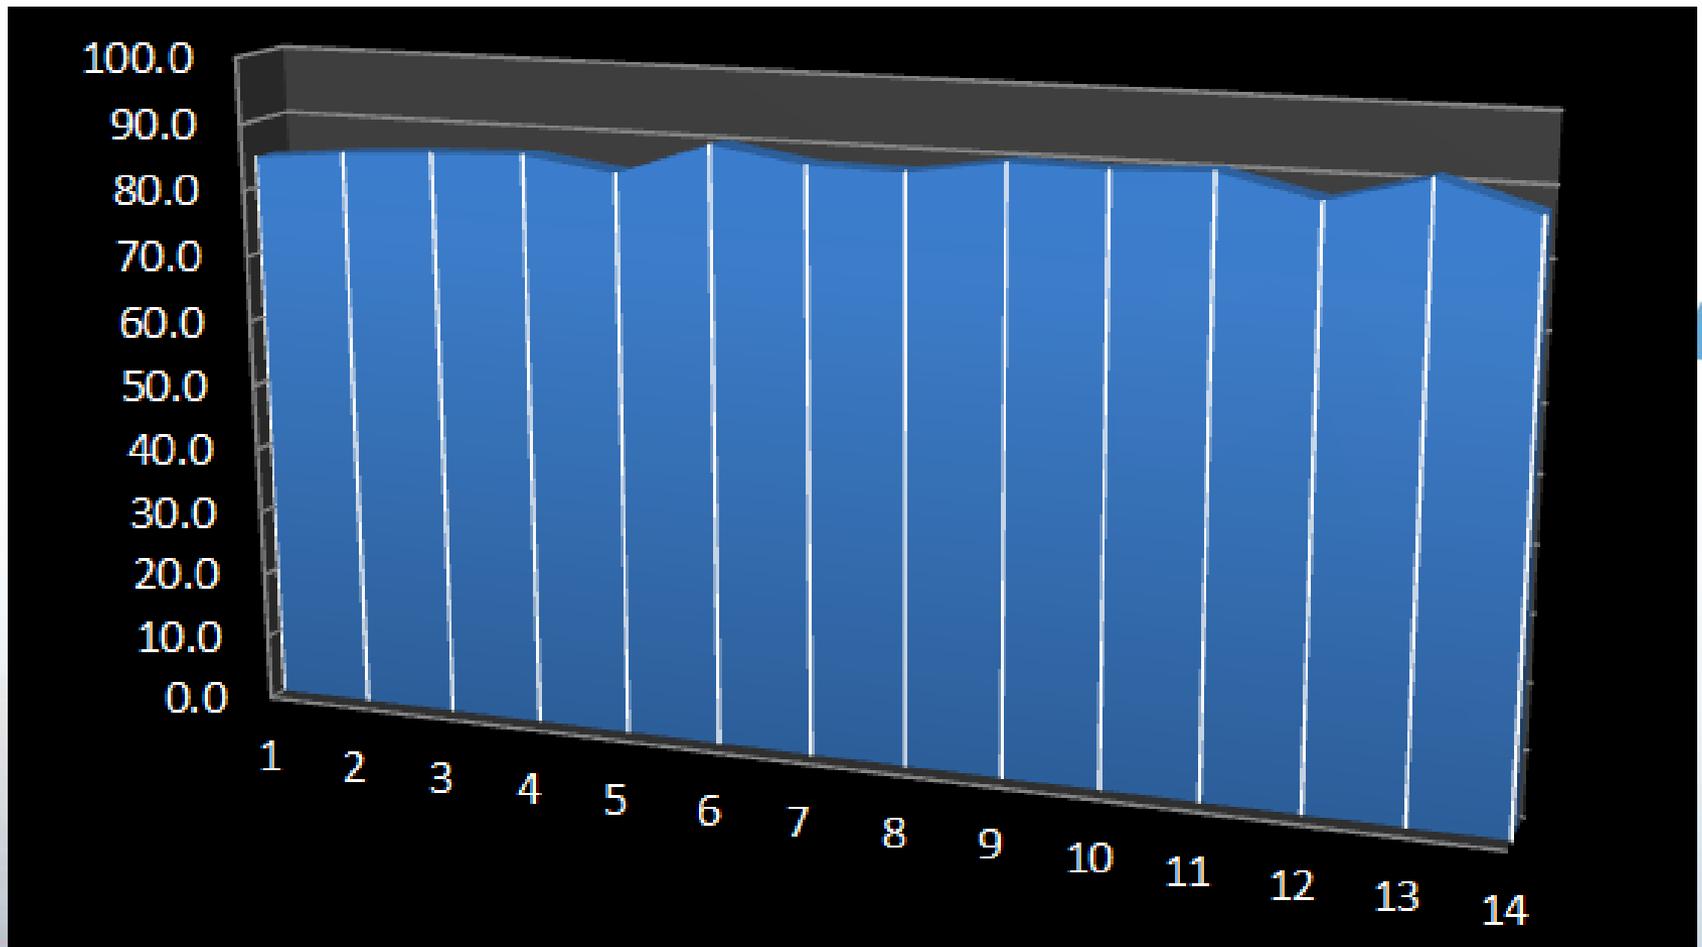

# Evaluation 2013 Trainings - MSs

STATS ON TRAINING & CO - OPERATION MSs - 2013  
'IN HOUSE'

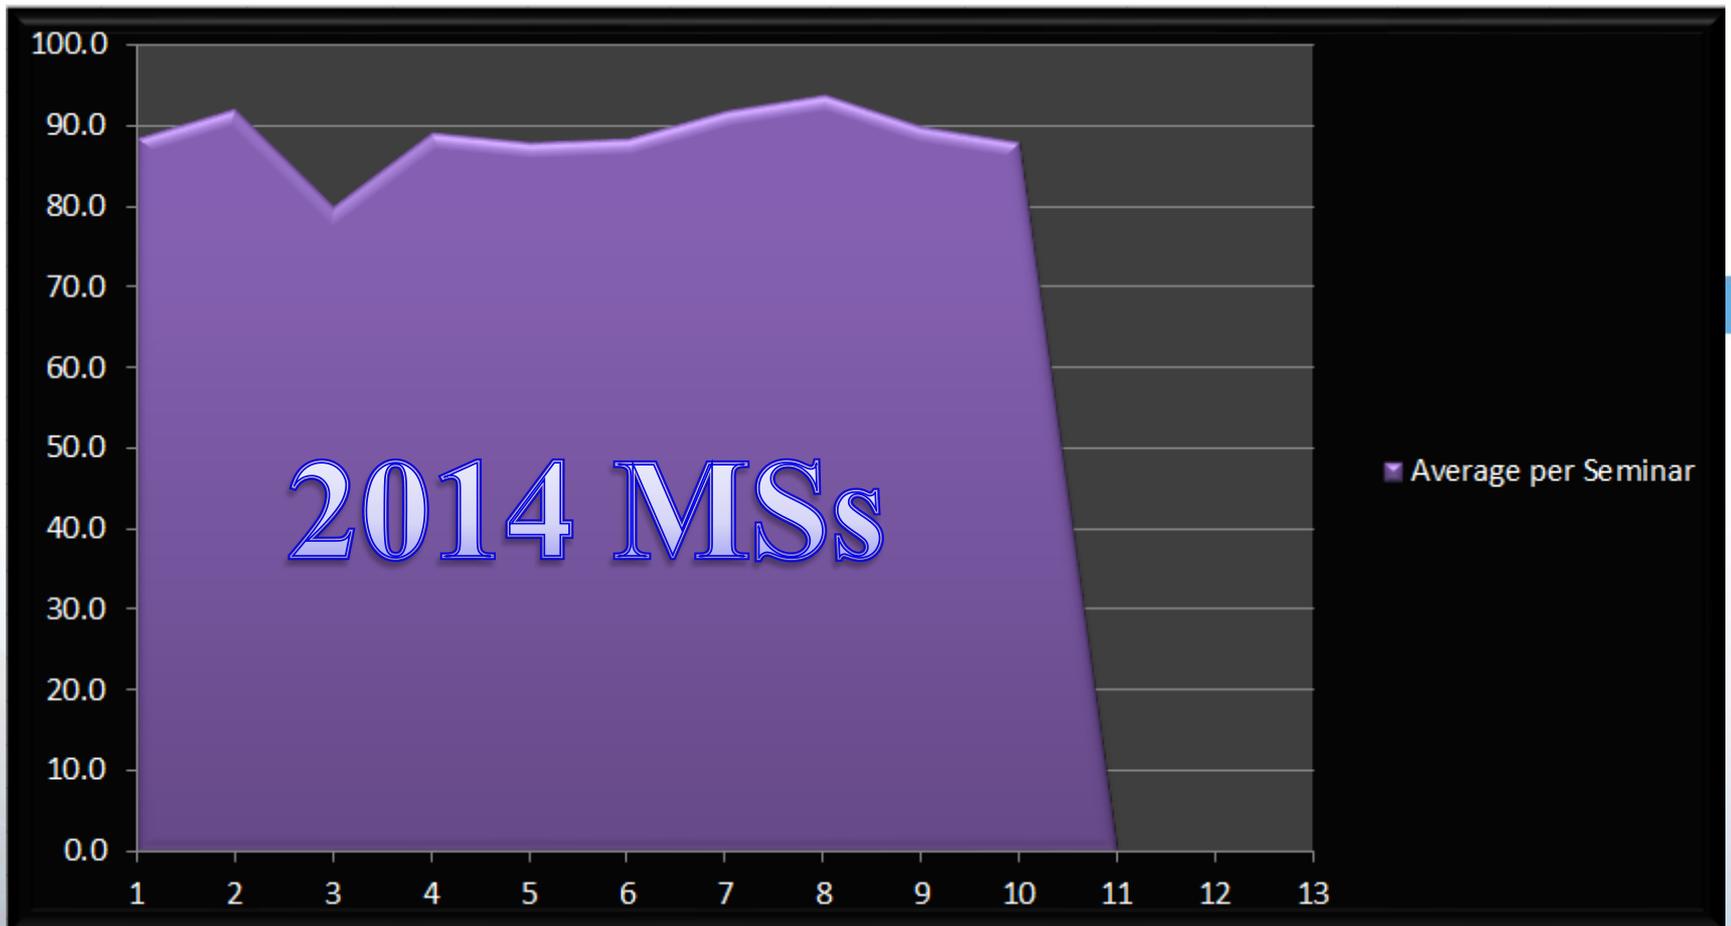

■ 1-Lecturers overall ■ 2-Usefulness of the course ■ 3-Logistics ■ 4-Overall assessment

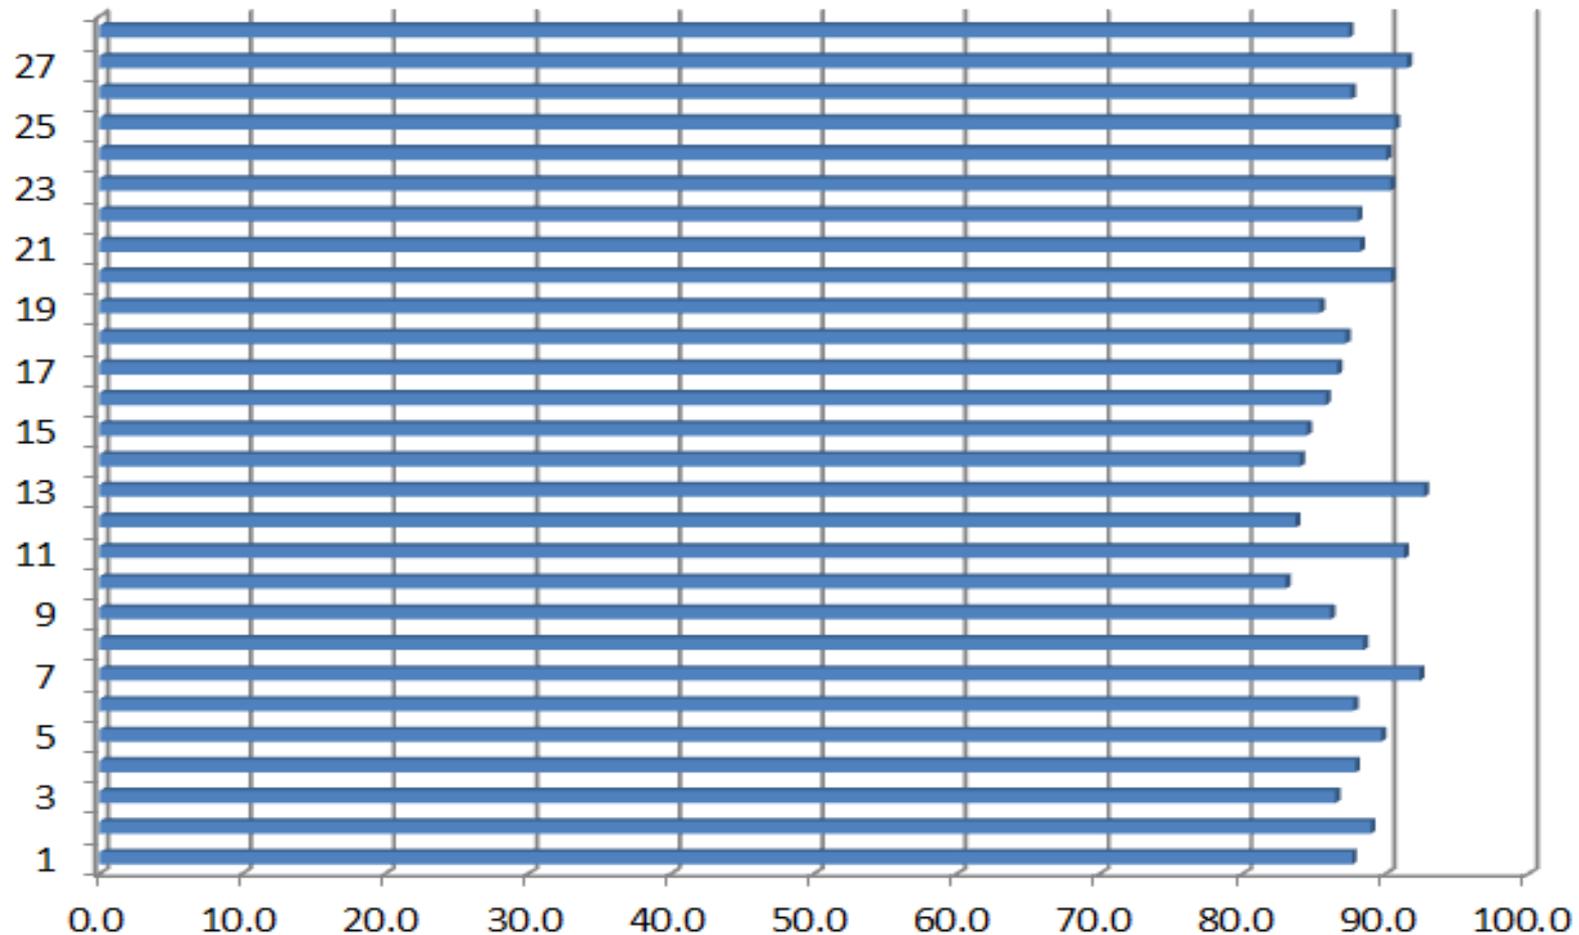

## Evaluation 2013 Trainings - MSs

## Evaluation of Trainings 2014 - now

## Evaluation of Trainings 2011 – 2013 MSs

## Comments analysis for Trainings of 2013 (cont'd)

### Most positive encountered often

Very nice atmosphere

Variety of subjects\* (EU Legislation)

Please continue like that

The ability to mix with delegates from all MSs

Combination of information, time for discussion & exercises\*

Discussions with colleagues

Exchange of knowledge

The feedback sessions\*

Case studies\*

**Thank you**

**2013****In-house trainings**

Sessions: 5  
Participants: 58

**In-country  
trainings**

Sessions: 2  
Participants: 146

**2014****In-house trainings**

Sessions: 6  
Participants: 52

**In-country  
trainings**

Sessions: 1  
Participants: 18

# Evaluation of Trainings

# Conclusions

Meetings, seminars,  
training actions

Tailor-made courses,  
provided through in-  
country training  
sessions

Delivered specialised  
trainings by  
reputable training  
institutions

**EMSA's  
Technical  
assistance  
to IPA  
countries**

**most effective tool**

**GOAL**

Improvement  
of maritime  
safety and  
prevention of  
marine  
pollution in  
the IPA  
countries and  
in the wider  
European  
region

## What next ?

EMSA will continue to provide technical assistance to candidate and potential candidate countries under the the Instrument for Pre-accession Assistance (IPA II), as established by Regulation (EU) No 231/2014, covering financial period 2014-2020

**Thank you**
