

## **NATIONAL EXPERT SECONDED TO EMSA PROJECT OFFICER VISITS AND INSPECTIONS Ref. n°: EMSA/SNE/2021/05**

The European Maritime Safety Agency was established for the purpose of ensuring a high, uniform and effective level of maritime safety, maritime security as well as prevention of and response to pollution by ships within the EU.

The idea of a European Maritime Safety Agency (EMSA) originated in the late 1990's along with a number of other important European maritime safety initiatives. EMSA was set up as the decentralised agency that would provide a major source of support to the European Commission and the Member States in the field of maritime safety, security and prevention of pollution from ships. The Agency was established by Regulation (EC) No 1406/2002 and subsequent amendments have refined and enlarged its mandate to cover among other measures, the efficiency of maritime transport.

The Agency provides technical, operational and scientific assistance to the European Commission and Member States in the fields of maritime safety, maritime security, prevention of, and response to, pollution caused by ships as well as response to marine pollution caused by oil and gas installations.

The Agency also contributes to the overall efficiency of maritime traffic and maritime transport and supports European cooperation on coastguard functions.

EMSA's activities can be broadly described as:

- providing technical and scientific assistance to the Member States and the European Commission in the proper development and implementation of EU legislation on maritime safety, security, prevention of pollution by ships and maritime transport administrative simplification;
- monitoring the implementation of EU legislation through visits and inspections;
- improving cooperation with and between Member States;
- building capacity of national competent authorities;
- providing operational assistance, including developing, managing and maintaining maritime services related to ships, ship monitoring and enforcement;
- carrying out operational preparedness, detection and response tasks with respect to pollution caused by ships and marine pollution by oil and gas installations;
- at the request of the European Commission, providing technical operational assistance to non-EU countries around relevant sea basins.

More information about the Agency and its structure and activities can be found on our website: <http://www.emsa.europa.eu>

EMSA invites you to send your application for a Seconded National Expert as Project Officer Visits and Inspections. This position will be attached to Department 1 'Sustainability and Technical Assistance', in Unit 1.2 'Visits & Inspections, Human Element'.

### **Conditions of Secondment:**

This vacancy notice concerns a Seconded National Expert position. Rules applicable to National Experts seconded to EMSA can be found on the following link: <http://www.emsa.europa.eu/recruitment-info/seconded-national-experts.html>

Please read carefully these rules before applying.

The initial duration of the secondment is one year with possibility for extension.

The place of employment is Lisbon, Portugal.

Expected date of entry into functions: November 2021.

### **General conditions for the secondment:**

This call for application is open to experts working for International organisations (IGOs) or Government or State Departments in the EU Member States, Norway or Iceland.

The secondment of an SNE by an employer other than a national, regional or local public administration, an international organisation or an IGO should be authorised only on a case-by-case basis, once it has been ascertained that the SNEs employer is part of the public sector or is an independent university or research organisation that does not seek to make profits for redistribution.

To qualify for secondment, experts shall:

- Have worked for their employer on a permanent or contract basis for at least 12 months before their secondment and shall remain in service and continue to be paid by that employer throughout the period of the secondment;
- Be a national of a EU Member State, Norway or Iceland.

It should be noted that due to the withdrawal of the United Kingdom from the European Union on the 31/01/2020, candidates from the United Kingdom who do not hold the nationality of another European Union member state, are not eligible for calls for applications at EMSA due to the fact that they do not fulfil the requirements of article 1(3) of the Decision of the Administrative Board of 20 November 2009 Laying Down Rules on the Secondment to EMSA of National Experts and National Experts in Professional Training.

### **Functions and Duties:**

Under the responsibility of the Head of Unit 1.2 'Visits & Inspections, Human Element', the successful candidate will be assigned tasks related to the Unit's Visits and Inspections activity, primarily in the area of Seafarer Training and Certification and the Human Element, and is expected to:

- Participate as a team member in visits to EU Member States and inspections to third countries to monitor the implementation of Directive 2008/106/EC and the STCW Convention, respectively;
- Participate, as necessary, in other visit and inspection activities;
- Draft visit and inspection reports;
- Evaluate corrective action plans submitted by the visited and inspected countries and the supporting evidence;
- Design and deliver STCW/MLC-related training courses in line with technical assistance and capacity building functions of the Agency;

- Assist the European Commission and the Member States, as required, in areas related to the education, training and certification of seafarers;
- Assist the European Commission, as necessary, in its work related to the International Maritime Organization (IMO);
- Contribute to the development of methodologies and supporting tools for different types of visits and inspections;
- Carry out any other tasks that might be assigned to the Agency in the area of the Human Element, Recognised Organisations and Regulatory Compliance.

#### **Main skills and qualifications:**

- University degree or equivalent qualification or professional experience, preferably in the area of the above mentioned functions and duties;
- At least 5 years of professional experience, acquired after the award of the required qualification, as a navigating officer or marine engineer (or combined maritime officer) on board seagoing ships or at least 5 years of professional experience, acquired after the award of the required qualification, with a shipowner, classification society, administration or maritime education and training institution, undertaking work relevant to the above listed functions and duties.
- Very good knowledge of IMO and ILO Conventions related to training of seafarers and fishing vessel personnel, working and living conditions on board, as well as maritime safety and marine environmental protection;
- Very good knowledge of EU maritime safety and environmental protection legislation;
- Good knowledge of international and industry quality management standards;
- Very good knowledge of the roles and functions of all main stakeholders in the Maritime Sector;
- Very good analytical skills;
- Very good communication and interviewing skills;
- Ability to work in a multicultural team;
- Certification as ISO 9001 Lead Auditor or equivalent would be an asset;
- Auditing experience would be advantageous;
- Participation in the design, approval and delivery of education and training programmes would be an asset;
- Proficiency in drafting reports and publications in English would be advantageous;
- Knowledge of a third EU language would be an asset.

#### **Submission of applications:**

Each application shall contain the following documents:

- a) A detailed curriculum vitae in European format (that can be obtained at the following address <http://europass.cedefop.europa.eu/en/documents/curriculum-vitae> or downloaded from our site).
- b) A motivation letter
- c) A duly completed and signed [declaration of honour](#) (which can also be downloaded from our site).

**Please note that candidates cannot send their applications directly to EMSA. These applications are not considered valid.** To be considered valid, the EU Permanent Representation or the EFTA

Secretariat/Mission to the European Union (for Norway or Iceland), or the IGO, must send your application to: [recruitment@emsa.europa.eu](mailto:recruitment@emsa.europa.eu) within the deadline below.

EMSA will only take into account applications received before the deadline which is **31 August 2021 at 17.00 hours (Lisbon time)**. Please liaise with the appropriate intermediary depending on your case, to ensure that your application reaches it well on time.

EMSA is an Agency focusing on gender balance and a harmonic workplace and strongly encourages the applications of women for the positions where they are underrepresented, specially SNEs positions.

### **The selection process:**

For each selection process a Selection Committee is nominated. Each valid application will be screened based on the requirements of the job profile stated in this call for applications. The most suitable candidates will be called for an interview and a written test. Please note that depending on circumstances, the interview and the written test may be organised by video-conference.

Candidates are strictly forbidden to make any contact with the members of the selection committee, either directly or indirectly. Any infringement of this rule will lead to disqualification from the selection procedure. All candidates will receive an information letter on the outcome of their application.

The reserve list will remain valid for a period of 1 year following its establishment. Therefore candidates whose name will be put on a reserve list could be offered a secondment during this period of time. Please note however that inclusion in the reserve list does not guarantee a secondment.

For any prior enquiry, please refer to the FAQ (Frequently asked questions) section, or send an e-mail to [recruitment@emsa.europa.eu](mailto:recruitment@emsa.europa.eu).

### **Equal Opportunities:**

EMSA is an equal opportunities agency. Seconded National Experts are selected without prejudice as to race, political, philosophical or religious beliefs, gender or sexual orientation and without reference to their marital status or family situation.

### **Requests for information and appeal:**

How to request for information: An applicant who would like further information or considers that he/she has grounds for complaint concerning a particular decision of the selection procedure may send a request by e-mail to [Recruitment@emsa.europa.eu](mailto:Recruitment@emsa.europa.eu) preferably within 15 working days from the date he/she was notified.

EMSA Human Resources will forward the request to the Chairperson of the Selection Committee and the applicant will receive a reply as soon as possible.

Applicants can make a complaint to the European Ombudsman at the following address below or directly on Ombudsman's website <https://www.ombudsman.europa.eu/en/home>.

Médiateur européen  
1 avenue du Président Robert Schuman  
CS 30403
