

## Question/ Answer

### Procurement procedure: EMSA/CPNEG/1/2017 for Service Contracts for Stand-by Oil Spill Recovery Vessel(s): Northern Baltic Sea (Phase I – Application phase)

#### Question 01 (dated 28 March 2017, 12:51):

Regarding your call for tenders regarding oil recovery vessel (OSRV); Do you want a tender based on a new complete vessel? Other requirements?

#### Answer to question 01 (published on 31/03/2017):

Information regarding the on-going procurement procedure for stand-by oil spill recovery vessels (EMSA/CPNEG/1/2017) can be found on the EMSA website under the “on-going calls for tenders” pages (Link: <http://emsa.europa.eu/work/procurement/calls.html>). This includes details on how to participate and relevant **procurement documentation**. Please note that this procurement procedure is in two phases: application and tender phases. The minimum requirements applicable to the vessel(s) will be evaluated during the second phase of the procedure (tender phase).

In the first phase of the procurement, application phase, EMSA will assess the fulfilment of the requirements published in the Application Specifications (Enclosure A.1).

The deadline for submitting applications is **19 April 2017**.

Any request for additional information must be sent to the following e-mail address: [CPNEG12017@emsa.europa.eu](mailto:CPNEG12017@emsa.europa.eu) as per the terms set in the Invitation to Apply for this call for tender.

---

#### **Published on 31/03/2017**

Requests for additional information regarding this tender should be sent by e-mail to the following address [CPNEG12017@emsa.europa.eu](mailto:CPNEG12017@emsa.europa.eu). Requests for additional information received less than six working days before the closing date for submission of tenders will not be processed.

The deadline for submission of the bids of this tender is 19 April 2017.

The responsibility for monitoring the Agency’s website for replies to queries and/or further information remains with potential applicants.
