Maritime Security Module

EMSA , LISBON
19 November 2019

Mourad GHORBEL / Technical Officer
Maritime Security and Facilitation, Maritime Safety Division
International Maritime Organization (IMO)
mghorbel@imo.org

Welcome

- **Lecturer:** Mourad GHORBEL
 - Technical Officer at the MSD/IMO
 - Master degree on maritime affairs
 - Maritime Safety Inspector
 - Consultant within EMSA/IMSSEA
 - Audit team leader ISPS/IMSAS

Aims

- To discuss what type of information is on the database?
- Who is responsible for maintaining the information on the database?
- How to access IMO Global integrated Shipping Information System (GISIS), Maritime Security module

Welcome to GISIS

Ship and Company Particulars
Ship identification and particulars.

Marine Casualties and Incidents
Data on marine casualties and incidents, as defined by circulars MSC-MEPC.3/Circ.3.

Maritime Security
Information communicated under the provisions of SOLAS reg. ISPS Code).

Status of Treaties
Status of ratification of IMO conventions, including global tonnage

Introduction

- **IMO Secretariat launched the Global Integrated Shipping Information System (GISIS) in 2005 to enable:**
 - **direct reporting by Member States in compliance with existing requirements; and**
 - **access to data compiled by the Secretariat.**
- **GISIS has two login options:**
 - **a member login (editable); and**
 - **a public user login (read-only).**

Global integrated Shipping Information System (GISIS)

Maritime Security

Information communicated under the provisions of SOLAS regulation XI-2/13 (SOLAS chapter XI-2 and the ISPS Code).

Status of Treaties

Status of ratification of IMO conventions, including global tonnage figures.

Piracy and Armed Robbery

Reported incidents of piracy and armed robbery.

LRIT Data Distribution Plan

LRIT Data Distribution Plan

Ship Particulars

Ship identification and particulars.

Port Reception Facilities ⁺₀ Public

Data on the available port reception facilities for the reception of ship-generated waste.

Pollution Prevention Equipment ⁺₀ Public

Pollution prevention equipment required by MARPOL 73/78.

Radiocommunications and Search and Rescue ⁺₀ Public

Information on the availability of Search and Rescue (SAR) Services.

Information on Local Regulations ⁺₀ Public

Information submitted by Administrations on local regulations.

MARPOL Annex VI ⁺₀ Public

Notifications communicated under the provisions of MARPOL Annex VI (Regulations for the Prevention of Air Pollution from Ships).

Marine Casualties and Incidents

Data on marine casualties and incidents, as

Port State Control

Information communicated under the provi
STCW and the Procedures for port State con

Simulators

Information on simulators available for use

Greenhouse Gas Emissions

Based on the *Interim Guidelines for Volunta*

Recognized Organizations ⁺₀ Public

Information submitted by Member States u

Contact Points ⁺₀ Public

Electronic database for Contact Points.

Illegal Migrants and Stowaway ⁺₀ Public

Information submitted under FAL.2/Circ.50,

Condition Assessment Scheme ⁺₀ Public

Electronic database for the implementation

IMDG Code ⁺₀ Public

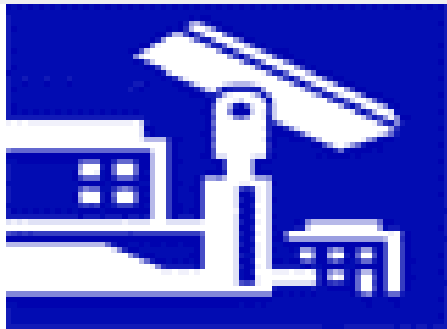

Reported cases of disparities between versi

Evaluation of Hooks ⁺₀ Public

Reports on evaluation of hooks according to
(MSC.1/Circ.1392).

GISIS – Maritime Security

<https://gisis.imo.org/Public/ISPS/Default.aspx>

Maritime Security

Information communicated under the provisions of SOLAS regulation XI-2/13 (SOLAS chapter X1-2 and the ISPS Code).

Maritime Security

National Contact Points

- **Governments are required to provide IMO with up-to-date information on the points of contact for their national authorities.**
- **The template designed for this purpose is included as appendix 2.12 in the maritime guide Details of national authority contact points.**
(IMO Circular letter No 2514, December 2003)

Communication of Information SOLAS CHAPTER XI/2 Reg 13

contact details of National officials for maritime security

Contracting Governments **shall**, not later than 1 July 2004, **communicate to** the Organization (**IMO**) and shall make available for the information of Companies and ships:

- .1 the names and **contact details** of their **national authority** or authorities responsible for ship and port facility security;
- .2 the locations within their maritime domain covered by **approved PFSPs**;

Maritime Security
