PART 3 – COASTAL STATE

SAR & Places of Refuge

Designated Authority for place of refuge	
Designated Authority for Pollution Response	
Designated Authority for SAR	

PART 4 – PORT STATE

Regional Port State Control regimes your State is affiliated to

Title	
Title	

Ports, Terminals and Port Reception Facilities

Ports	Link to national authority
Terminals	Link to national authority
PRF	Link to GISIS

Registry of fuel suppliers

7	Register of fuel oil suppliers is maintained and who maintains it	
Details	Name of supplier	Location(s)
Name(s) of government body(ies)		

Part 1 - GENERAL INFORMATION

Name of State:

1 Organogram and/or a diagram with competent authorities responsible for Flag, Port and Coastal Obligations as well as other authorities responsible for coast guard functions².

Development of DONA

Excellent multitasking solution
facilitating administrative burden

Suggestions

Part 1 - GENERAL INFORMATION

Name of State:

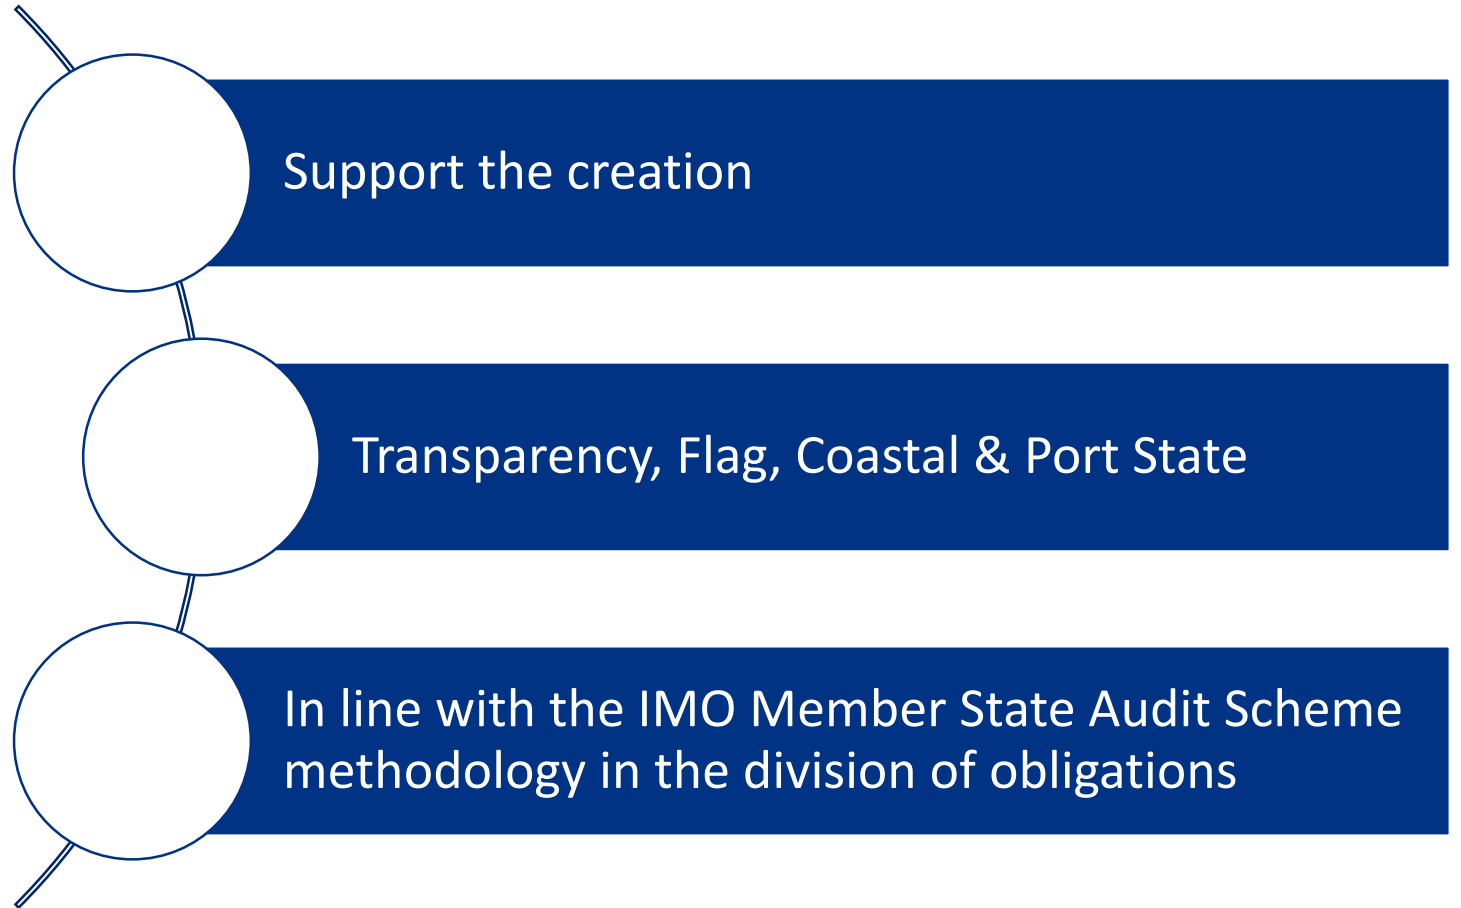

1 Organogram and/or a diagram with competent authorities responsible for Flag, Port and Coastal Obligations as well as other authorities responsible for coast guard functions³.

Enhance the sharing of useful data and information between Member States

Member States to “test run” the platform

Possibility to point out issues, enhancements or improvements

Part 1 - Competent Authorities for EU legislation & International Legislation

Competent Authorities for European Legislation

Information on any relevant organizations and/or entities fulfilling functions required by EU mandatory legislation, their relationship to the maritime administration and details of the functions they provide on Accidents Investigation (Directive 2009/18/EC)						
Name(s) of government body(ies)						
Address						
Website						
Information on any relevant organizations and/or entities fulfilling functions required by the EU mandatory legislation, their relationship to the maritime administration and details of the functions they provide on Sulphur Directive (Directive 2005/33/EC)						
Name(s) of government body(ies)						
Address						
Website						
Information on any relevant organizations and/or entities fulfilling functions required by the EU mandatory legislation, their relationship to the maritime administration and details of the functions they provide on Ship Recycling Regulation (REGULATION (EU) No 1257/2013)						
Name(s) of government body(ies)						
Address						
Website						
Information on any relevant organizations and/or entities fulfilling functions required by the EU mandatory legislation, their relationship to the maritime administration and details of the functions they provide on MRV Regulation (REGULATION (EU) 2015/757)

ILO PROT 1996	
MARITIME LABOUR CONVENTION	

A user friendly format

Single table/matrix with row heading

Column for legislation

Tick boxes in each row

Indicate responsible body

Page 12: Additional EU legislation

1. Reg 725/2004/EC & Dir 2005/65/EC - Maritime Security
2. Directive 2001/96/EC - Safe Loading / Unloading of Bulk Carriers,
3. Directive 2013/53/EU on recreational craft and personal watercraft
4. Directive 97/70/EC - Safety of Fishing Vessels
5. Directive (EU) 2017/2110 on a system of inspections for the safe operation of ro-ro passenger ships & High-speed passenger craft in regular service
6. Directive 2009/45/EC - Safety rules and standards for passenger ships
7. Directive 98/41/EC on the registration of persons sailing on board passenger ships

In support of Ireland - tick boxes approach for legislation – GISIS to take into account

Links to different authorities for reporting gate – SPOC difficult to coordinate all legislative instruments

Simplification for auditors work

In support of Ireland -
tick boxes approach
for legislation

Reduce administrative
burden & simplify
access

Competent authorities for legislation – direct access to respective pieces of EU legislation

Replace table on international legislation with GISIS link

Implementation status of amendments of each basic international Convention

Addition of functionality depicting state of play of implementation status of relevant EU aquis

Interactive and dynamic approach

Information on any relevant organizations/entities fulfilling functions required by EU mandatory legislation, relationship to the maritime administration & details of functions they provide on Directive 2009/15/EC

Part of database accessible to all parties – Horizontal analysis & WSs, Guidelines or interpretations

Part of database accessible to EMSA, EC & respective MS divided by Directive or inspection with all correspondence included

Visits, final reports, CAPs, EC assessments, Data uploading

Forum for discussion MSs, EC, EMSA

No specific concerns

Majority of
information already
submitted – GISIS

PART 2 – FLAG STATE

Implementation & Quality

IMSAS Audit performed ⁷	Yes/no	Date:
Correction action plan submitted	Yes/no	Date:
Quality Management System Certificate	Yes/no	Date:

Delegation of Authority ⁸

Recognized Organization	Functions delegated
Recognized Organization

STCW Recognitions

Countries recognized for STCW Certificates ⁸	
---	--

Avoid
duplication of
reporting to
GISIS database

**PART 2 – FLAG STATE****Implementation & Quality**

IMSAS Audit performed ⁷	Yes/no	Date:
Correction action plan submitted	Yes/no	Date:
Quality Management System Certificate	Yes/no	Date:

Page 14: Implementation & Quality

Suggest to include last VIMSAS audit

STCW Recognitions

Countries recognized for STCW Certificates ⁸	
---	--

Page 15 – STCW recognition: To clarify "one way" or "two way" recognition. i.e:

There may be an agreement for a 3rd state to recognise an EU member state issued COC but not always vice versa.

STCW Recognitions

Countries recognized for STCW Certificates ⁸	
---	--

Aligned with the suggestion of **Ireland** that clarification is needed on whether **recognition refers to one or two way (mutual recognition)**.

PART 3 – COASTAL STATE

SAR & Places of Refuge

Designated Authority for place of refuge	
Designated Authority for Pollution Response	
Designated Authority for SAR	

Page 15 – SAR & PoR: Suggest reformat as matrix table (as per EU legislation comment) to avoid entering same details more than once.

PART 4 – PORT STATE

Regional Port State Control regimes your State is affiliated to

Title
Title

Ports, Terminals and Port Reception Facilities

Ports	Link to national authority
Terminals	Link to national authority
PRF	Link to GISIS

Registry of fuel suppliers

7 Register of fuel oil suppliers is maintained and who maintains it		
Details	Name of supplier	Location(s)
Name(s) of government body(ies)		

Page 17 – Registry of fuel suppliers: Could be a link to national authorities published list?
