

Scope

- Changes in the legal requirements of the amended Directive 98/41/EC on registration of persons on board passenger ships
- Changes in the legal requirements following the new Directive EU 2019/883 on port reception facilities for the delivery of waste from ships (repealing Directive 2000/59/EC)
- Proposals from the Working Group for improving Incident Reporting, and link with CECIS system
- Additional security measures and changes to the data protection rules to support the exchange of detailed information on the persons on board passenger ships following the “**Security and Interoperability Solutions Study**” which will define security and data protection measures
