HELCOM

Regional response on shore

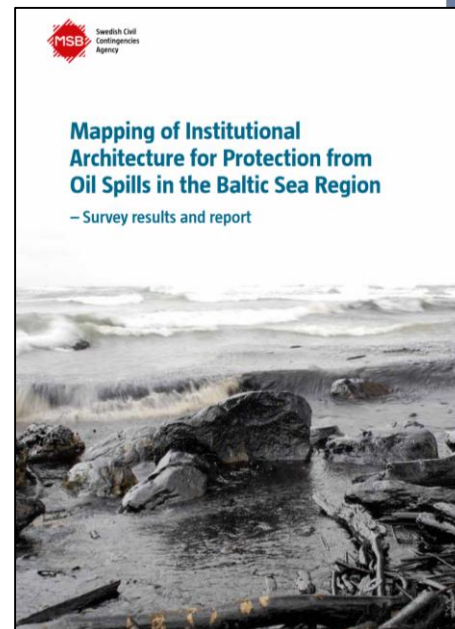

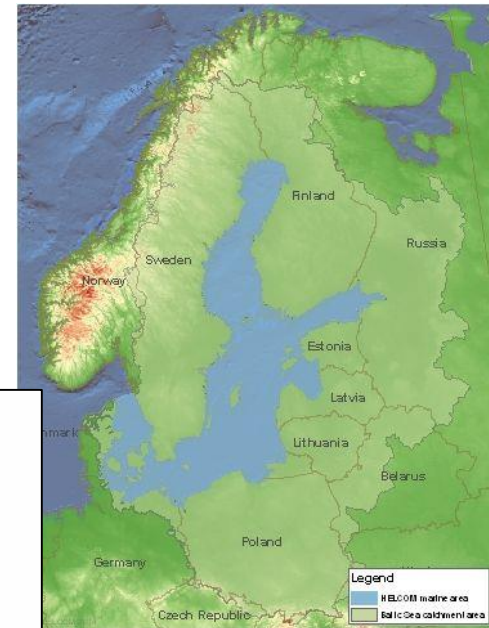

Challenging!

- Complex field. Transboundary. Many actors.
Cooperation is key!

All countries have different legislation and
approaches. And everything keeps changing over
time...

HELCOM expert working group

- EWG SHORELINE (2011-2013)
- EWG SHORE (2013-2016)
- EWG SHORE Network (permanent)

Discussion & recommendations

- Updated stakeholder analysis – on all levels
- Maintain your networks!
- Understand each others capacities
 - Aim to overlap possible gaps
- Strategic discussions on regular basis about priorities. Joint vision!
- Limited resources – use them wisely
