Related documents	MAREΣ 17/1/1

### 1. Introduction

Due to the COVID-19 situation, the 17<sup>th</sup> Mediterranean AIS Expert Working Group (MAREΣ EWG) meeting was agreed to be conducted online, through the *Microsoft Teams* application. The invitation and draft agenda were submitted to the EWG participants by EMSA on 11.09.2020.

### 2. Agenda items

#### **Agenda Item 1: Opening of meeting and approval of agenda (MAREΣ 17/1/1)**

EMSA, as the MAREΣ EWG coordinator, will open the meeting and introduce the meeting agenda. The EWG participants will be invited to approve the agenda.

#### **Agenda Item 2: Wrap up of previous meeting / approval of the minutes (MAREΣ 17/2/1)**

The 16<sup>th</sup> EWG minutes are published at the EMSA website. EMSA will introduce the minutes of the previous meeting and invite the participants to provide their feedback and approval. The participants will be asked to agree on changes in the meetings reports approval procedure.

#### **Agenda Item 3: Follow – up actions of the previous meeting (MAREΣ 17/3/1)**

EMSA will introduce actions agreed at the previous EWG meeting. The EWG participants will be invited to agree the status of action points.

#### **Agenda Item 4: The European AIS network performance**

EMSA will present the status of the European AIS network and the recorded downtimes.

#### **Agenda Item 5: MAREΣ network activity and monitoring (MAREΣ 17/5/1)**

Italy will present the status of regional AIS server, including: the results of monitoring; MSs activities; observed malfunctions; analyses of incidents; and the general activities carried out since the last EWG meeting. The participants will be invited to note and discuss potential improvements.

#### **Agenda item 6: Status of AIS at the MAREΣ Member States (MAREΣ 17/6/1)**

MAREΣ Member states will be invited to provide updates/corrections to the national AIS status summary in the meeting document MAREΣ 17/6/1 (if any). The participants will be invited to identify potential improvements.

#### **Agenda Item 7: Status of AIS at the MAREΣ Participants States and Observers States (MAREΣ 17/7/1). Status of the SAFEMED and BCSEA projects.**

The MAREΣ Participants States and Observers States will be invited to provide updates/corrections to the national AIS status summary in the meeting document MAREΣ 17/7/1 (if any). The participants will be invited to identify potential improvements.

EMSA will introduce the status of SAFEMED and BCSEA projects, the main activities covered, and the future steps planned.

#### **Agenda item 8: Status of other regional AIS servers (NSATL and HELCOM)**

Norway, as the North Sea/Atlantic and the HELCOM AIS regional servers hosting country, will be invited to present the status of both regional AIS servers and the main outcomes of the last EWGs meetings in these regions.

#### **Agenda Item 9: Activities to ensure the AIS data availability**

The participants will be introduced with actions taken by EMSA, Italy and Norway to ensure the data availability, including:

- the solution for the data retransmission by RSs;
- the stored data retransmission proposal by Norway, to ensure the reception of data retransmitted by MSs;
- the MAREΣ MSs status assessment by Italy and the way forward to ensure the data retransmission capabilities in MAREΣ;

The participants will be invited to note the information and discuss potential solutions.

#### **Agenda item 10: Recent developments by Italy and Norway**

Italy will present a tool for checking the mobile AIS synchronisation status. Norway will present the national AIS data sharing solution.

#### **Any other business**

The participants will be invited to update the lists of contact persons and technical representatives for the AIS EWG; to propose agenda items to be discussed at the next meeting and to consider any other matters related to this agenda item. Participants will be asked for their proposals regarding hosting the meeting of 2021.

EMSA will summarise the topics discussed and agreed at the meeting.

### **3. Action Required**

The EWG is invited to **note** the provided information.
