AWARENESS CAMPAIGN OVERVIEW

Background

- Data transfer to THETIS essential for the overall functioning of the new inspection system
- Collecting data from ships (reporting obligation) to be ensured

Short time for the implementation

Awareness campaign launched

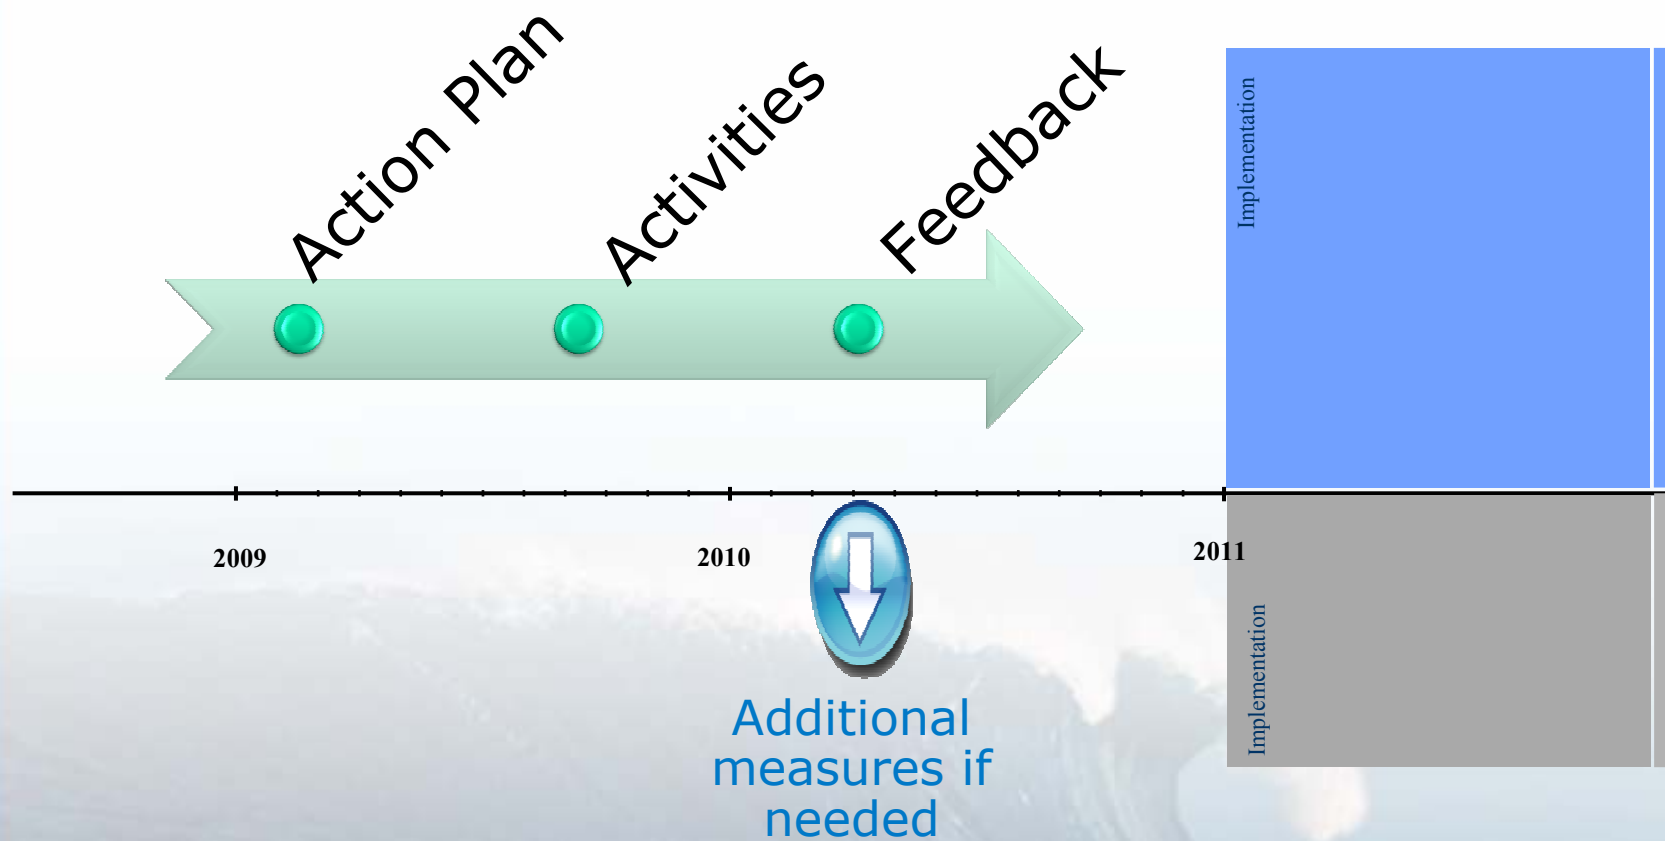

- To raise awareness (MSs)
- To support (MSs)
- To inform (Shipping Industry)

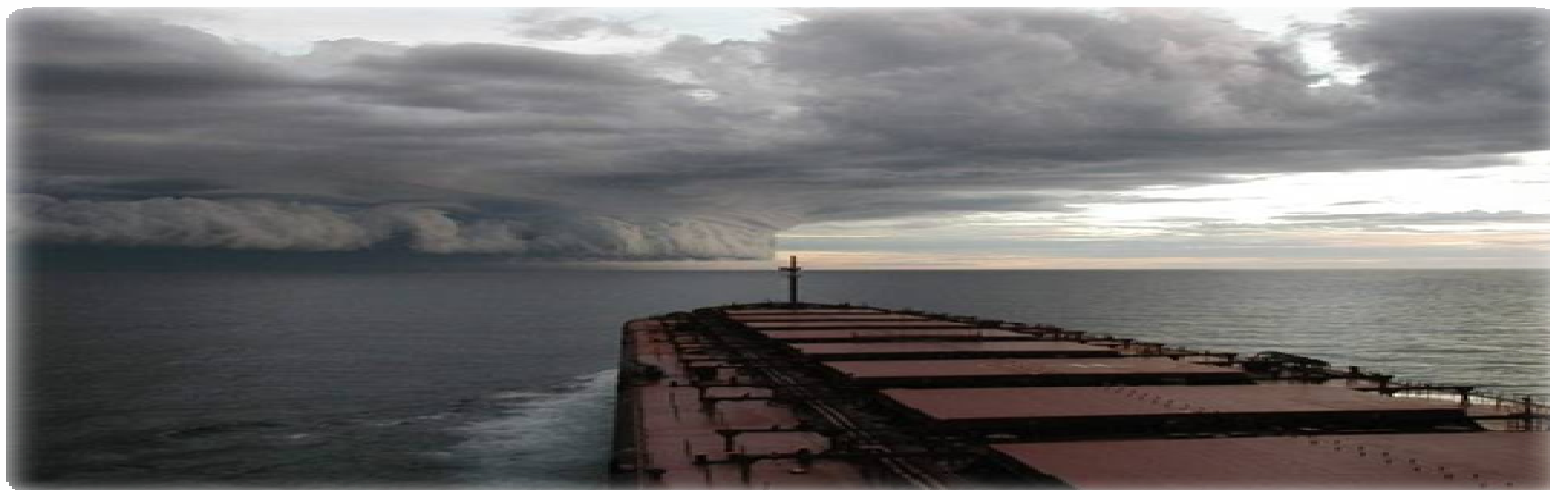

To be ready on
01/01/2011

**Taking into account the lessons learnt
from SSN implementation**

How? Main steps

ACTION PLAN

Action plan background

- Agreed with DG TREN in August 09
- Presented to EMSA Adm. Board
- SSN HLSG informed (and requested to Support the campaign and activities, inviting MSs to appoint national focal points)
- Paris MoU Community informed (MAB, TEG, COM)

Activity Details	Deliverable	Who	Supported by	Start date	Target Date	Status to date
No 1: Awareness campaign						
Ph 0: Preparatory phase

T1.9	Preparation of letter from the PMU addressing the MSs	Letter to the signatories of the Paris MoU highlighting the need to prepare the respective systems to ensure the proper implementation of NIS	B.2		W42 (2009)	Postponed

Activities: Leaflets on PSC reporting obligations

- Sent to MSs
- To be delivered to the Shipping Associations
- Published on EMSA and Paris MoU websites
- Focal points are now requested to support PSC Coordinators in forwarding to the relevant parties

Considerations for focal points

- Possibly develop a “national” action plan
- Update EMSA on individual action plan
- Present progress at the next meeting
