Collaboration in Norway

NCA + NMD = Successful SSN-PSC implementation

- ✓ Coordinated approach in the information process
- ✓ Mutual meetings with the actors involved
- ✓ Both a technical & operational approach

System implementation issues

REPORTS!

- ✓ 3 more reports than today!
- ✓ Not a very popular initiative towards the maritime community!
- ✓ Information and explanation will be important
- ✓ Involvement from the maritime community
- ✓ Smart solutions (thinking out of the box)
- ✓ Technical implications not to be ignored

System implementation issues

TIME!

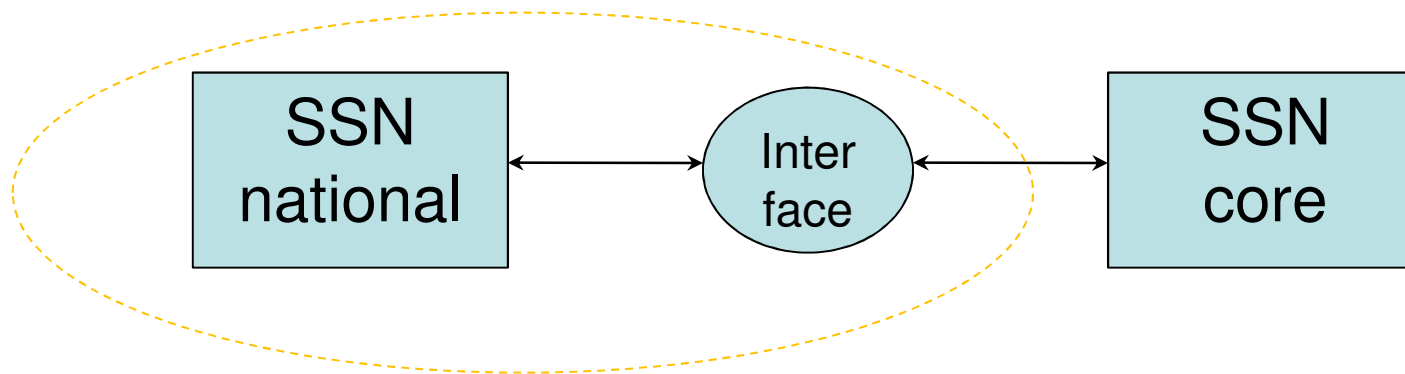

- ✓ “Comfortable”, but still a tight schedule!
- ✓ Consider the “need for change” to you national system
- ✓ Don’t under estimate the new SSN-Core interface
- ✓ Testing and commissioning

System implementation issues

TECHNICAL!

✓ Systems to focus on

© 1998 Ted Goff www.tedgoff.com

"Would you like the technical or the nontechnical presentation?"
