

**Appendix 01
to the Tender Specifications**

MOCA Class Diagram

Tender n° EMSA/OP/08/2014

1

¹ Please note that this class diagram solely serves to give an idea of the complexity of the current MOCA module. As the PROMO module is currently being built upon the same codebase, the underlying class diagram will most likely change between the release of this tender specification document and the start of the first Specific Contract under this Framework Contract.
