

Procurement procedure: EMSA/OP/01/2017

Question 01 (dated 16 March 2017, 17.15):

Could you please provide us a list of the port State control regions and the industry-based organizations that are currently sources of the data relevant to both lots. Moreover, could you please confirm whether any associated license / subscription fees of such sources should be included in our financial proposal.

Answer to question 01:

The relevant original sources of information are to be indicated by the tenderer.

If the data is subject to IPR protection by a third party, the tenderer shall point this out in his bid and ensure that it can be delivered to the Equasis database.

The price offer should reflect the total cost per delivery for each lot payable by EMSA in accordance to chapter "12 - Price" of the "Tender Specifications".
