Questions and Answers

Number	Question	Date and time	Reply	Date of publication
1	<p>We are interested in providing mentioned services but our premises seem to be a bit south of the specified area, referring to below screenshot.</p> <p>Kindly ask you to inform if it is possible to extend the area to Oskarshamn, allowing us to participate in the tender.</p> 	04/01/2022 13:39	<p>Kindly note that it is not possible to change the geographical limits of the defined area. Accordingly, the arrangement shall therefore be located on the coastline of an EU Member State within the area defined on the North by a line running from Gävle (Sweden) to Rauma (Finland) and on the South by a line joining Norrköping (Sweden) to Liepaja (Latvia). (Point 3.3 of Enclosure R.1 Request Specifications and point 2.2 of Enclosure T.1 Tender Specifications). Any offers for an arrangement outside the defined area will therefore be rejected.</p>	11/01/2022
2	<p>We have got the invitation to submit the request for participation in the tender. Yes, we are interested to submit the request. Could you please explain, what has to be prepared and submitted for the first phase?</p> <p>I visited the EMSA link mentioned below, but its unclear how to proceed next.</p>	06/01/2022 13:52	<p>The documentation that needs to be submitted in "Phase I – Request to participate" is presented in point 9 of Enclosure R.1 "Request Specifications". The list of documents is also detailed in Enclosure R.4 "Candidate's Checklist", which is one of the documents to be filled in and submitted.</p>	11/01/2022
