

# European Maritime Transport Environmental Report

EMTER 2024 – Stakeholders Consultation Workshop  
14 February 2024

Session 4: EMTER 2024 Next Steps

- Download report: <https://emsa.europa.eu/emter2>
- Report in word format accepts only “Comments” (no editing in TC)
- Select “Chapter”, “Section”, “Paragraph” you would like to provide comment and/or feedback and/or input and insert accordingly.
- If information is missing, outdated or needs to be updated, we would like to know.
- If you have new data / graphs / figures to share, please always send accompanying relevant information such as metadata, source, reference (in APA format), etc.
- Be very clear and specific in your comment/feedback/input: this will help (smooth/guarantee) the process and ultimately discriminate the necessary updates.
- If possible, we would be grateful if you could consolidate reviews within your organisations, member state and industrial representations.

- Save version with your name & organisation and send reviewed version to [emter@emsa.europa.eu](mailto:emter@emsa.europa.eu)
- We will merge all comment/feedback/input, analyse them one by one and update the report as required.
- We will reply to all comment/feedback/input (but not all comment/feedback/input will necessarily result in changes).
- If you have any questions, please address them to: [emter@emsa.europa.eu](mailto:emter@emsa.europa.eu)
- **Deadline for comment/feedback/input is 1st March 2024.**
