Subject: (MSS-67450) COVID-19 Measures - Slovenia

Dear Madame/Sir,

we received your e-mail regarding the COVID-19 Measures – Slovenia. We reviewed the existing documents published on the webpage and prepared an updated document that we are sending in the attachment.

Furthermore we find out, that document Temporary Contingency Planning for Seafarers is not relevant anymore, so the document should be removed.

Best regards.

Jadran Klinec, mag. inž. pom.
Director
