SAFESEANET OPERATIONAL AND LEGAL ASPECTS

List of SSN technical and operational documentation

Submitted by EMSA

Summary	The SSN techical and operational documentation is listed.
Action to be taken	As per paragraph 3
Related documents	a) Directive 2002/59/EC as amended, Annex III b) SSN 17/3/4 list of SSN technical and operational documentation

1.   BACKGROUND INFORMATION

In accordance with Annex III of Directive 2002/59/EC, as amended, technical documentation related to SSN, such as standards for data exchange, user manuals and network security specifications shall be developed and maintained by the Agency in cooperation with the Member States.

Together with the current Interface and Functionalities Control Document (IFCD), the SSN technical and operational documentation referred to in Chapter 1 is the reference for the implementation and operation of the national and central SSN systems. The validation of these documents is carried out by the SSN Group.

2.   CURRENT STATUS

The SSN technical and operational documentation is currently made available to Member States in electronic format via the SafeSeaNet section of the EMSA website:

http://91.231.216.7/ssn-main/documents/technical-documentation.html

The SSN Security guide is password protected and restricted to the SSN group. It is available via the EMSA Extranet:

https://extranet.emsa.europa.eu/index.php/document-repository/cat_view/264-safeseanet/280-protected-documents

The updated list of the SSN documents currently in place, and their current status, is shown in the Annex.

The documents in the above mentioned list fall under the following categories:

  ➢ SSN technical and operational documentation currently adopted.

  ➢ SSN documents approved but awaiting implementation.

  ➢ Documents proposed for approval at the SSN 22 Group meeting.

  ➢ Documents under revision.

  ➢ Documents removed.

It should also be noted that the document list is updated at each SSN group meeting.

3. ACTION REQUIRED

Member States are invited to take note of the information provided.

Annex: List of SSN technical and operational documentation

Annex

List of SSN technical and operational documentation
