

European Maritime Safety Agency

European Maritime Safety Agency

Consultative Network for
Technical Assistance (CNTA)

3rd meeting

**Proposals for training on
the human element in
maritime safety**

Lisbon - 2nd July 2008

1

European Maritime Safety Agency

European Maritime Safety Agency

**Training on:
THE HUMAN ELEMENT IN MARITIME SAFETY**

The aim of the course is to analyze international and European legislation on the Human Element in order to increase the sensitivity on the matter and, consequently, the effectiveness both of the decision making process within the maritime administrations and the quality of the inspections.

2

European Maritime Safety Agency

European Maritime Safety Agency

**Training on:
THE HUMAN ELEMENT ON MARITIME SAFETY**

Content of the course:

- Ship's manning
- Minimum standards of training of seafarers
- Hours of work and rest
- ISM Code
- ILO legislation
- The Human Element in maritime accident investigation

3

European Maritime Safety Agency

European Maritime Safety Agency

**Training on:
THE HUMAN ELEMENT IN MARITIME SAFETY**
