**3<sup>rd</sup> meeting**

Proposals for training on Effective national inspections by MS's to monitor compliance with Reg 725/2004 and ISPS Code with respect to ship's security

Lisbon - 2<sup>nd</sup> July 2008

1

**Training on:**  
**Reg. 725/2004 (ship security)**

Background:

The EU Regulation establishes criteria for enhancing ship and port facility security in the MS's.

EMSA, limited to the area of competence, assists the EU Commission in the verification of its effective implementation

2

**Training on:**  
**Reg. 725/2004 (ship security)**

The EU Commission, assisted by the EMSA, has visited all MS for verifying the proper implementation of the Reg 725/2004/EC in respect of the ship security

3

**Training on:**  
**Reg. 725/2004 (ship security)**

Scope:

The proposed training is to assist MS in their national oversight and inspection regimes to ensure effective implementation of the ship security aspects of the EU Regulation

The general outcome of the national assessments and inspections carried out by MS's could be also taken into account

4

 **EMSA** / European Maritime Safety Agency

**Training on:**  
**Reg. 725/2004 (ship security)**

Possible attendees:

Officials from MS's maritime administrations dealing with national inspections or verification on ship security

5

 **EMSA** / European Maritime Safety Agency

**Proposals for training**
