

CleanSeaNet Training for Member States

Welcome and Training Overview

Earth Observation Services

Lisbon / April 2021

- Mute your microphone when not speaking or during presentations to avoid disturbances.
- You may turn on your camera or turn it off to enhance the performance of the streaming. You can turn on the camera if you are invited to speak.
- Questions will be answered at the end of each module. Please use the “raise hand” function on the top of your screen to show that you would like to take the floor.
- As a backup and in case of difficulties with the “raise hand” function, you can also use the chat function to request to take the floor. The chat messages will be monitored by the trainers who will convey your question.
- This training session can not be recorded.
