

# SafeSeaNet Workshop 21

## Actions stemming from HLSG decision

Agenda item 21.1.3

**Yann Le Moan**  
Vessel Traffic and Reporting Services

**Lisbon | 8 May 2014**

# Actions from HLSG 10 – follow up

Action point	Topic and Action	Resp.
<b>a</b>	<b>The accuracy of voyage information due to the LOCODEs for offshore installations</b> <b>(Agenda item 3.1)</b>	
	The document SSN 21/3/3 proposes an amendment to the LOCODEs Guidelines.	<b>EMSA</b>
<b>b</b>	<b>Improving Ship Mandatory Reporting Systems (MRS) in SSN</b> <b>(Agenda item 3.2)</b>	
	The HLSG agreed the Business Rules and the time plan to implement the amended MRS message within the development of SSN V3.  The MRS guidelines are presented in the document SSN 21/3/4. The final draft will be submitted at HLSG 11 for approval.	<b>EMSA</b> <b>HLSG 11</b>
<b>c</b>	<b>Implementation of exemptions in SSN</b> <b>(Agenda item 3.3)</b>	
	The HLSG agreed to simplify the processing and handling of exemption information and invited EMSA to include the waste notification exemptions in the relevant business rules on a voluntary basis.  The action has been addressed in the amended XML reference guide V3.00.	<b>EMSA</b>

# Actions from HLSG 10 – follow up

Action point	Topic and Action	Resp.
<b>d</b>	<b>Consequential adjustments to the IFCD</b> <b>(Agenda item 5.2)</b>	
	<p>The HLSG invited EMSA to draft IFCD v1.1 for submission at SSN 21. This action is presented in document SSN 21/3/2.</p> <p>Following SSN Group validation, the final draft will be submitted to HLSG 11 (tentatively June/July 2014) for approval.</p>	<p><b>EMSA</b></p> <p><b>HLSG 11</b></p>
<b>e</b>	<b>Access to SSN and pilot projects using SSN data</b> <b>(Agenda item 6.1)</b>	
	<p>The HLSG invited EMSA to draft a proposal for the creation of a link between SSN/CECIS and to report on the subject at HLSG 11.</p> <p>The SSN 21/4/8 document introduces the short and medium term possibilities for the SSN-CECIS link.</p>	<p><b>EMSA</b></p>
