

Meeting: Pilot project on “Facilitation of ship to shore reporting” – 2nd meeting

Place and date: Lisbon, 25 September 2019

Agenda item: Facilitation of ship to shore reporting – concept paper

Document number: 2.3

Submitted by EMSA

Summary	This document presents the concept paper for facilitation of ship to shore reporting pilot project.
Action to be taken	As per paragraph 2.
Related documents	Facilitation of ship to shore reporting – concept paper

1 Background

During the 1st meeting of the pilot project for the facilitation of ship to shore reporting it was agreed that EMSA will draft a document defining the business and technical concept of the project and will distribute it to the project participants.

A draft of the document was distributed on 16 May 2019. Following comments received from Member States EMSA updated the document and distributed the revised version on 19 June 2019.

2 Actions required

Member States are invited to take note and to approve the concept paper in Annex.
